John - I had a really fun  
year! Spanish was rad (thnx  
Jim Toumey). I hope you take  
Spanish II here - so you can  
be in my class. Let's go to  
the beach all the time during  
the summer - I know that's  
where I'll be - and at  
volleyball practice. As John  
Cook says "Eat volleyball,  
sleep v-ball, drink v-ball, dream  
v-ball, volleyball is life!"  
Football practice - you're  
hatin' it! The dance was  
fun. I had a good time.  
Poor Mike! He was  
laughing really hard the  
whole time.

well, keep up the  
image next year - new  
get your senior - don't  
taken away privileges  
or anything  
like that.  
have a great  
I'll probably summer  
see you

If not, I'll see  
next year. Go to your  
parties and have lots  
Love, Sun!  
Wendy

P.S. Don't get  
too drunk -  
especially when

John -  
I am glad that we got  
to be good friends toward the  
end of the year. Finally, after  
a full year, we got to  
be friends. No more  
coming over night & even  
were a little of your  
of it. Happy 17th  
many more. Have  
a great summer.

CAVALCADE 1984  
VOLUME XII  
FRANCIS W. PARKER HIGH SCHOOL  
6501 LINDA VISTA ROAD  
SAN DIEGO, CALIFORNIA 92111

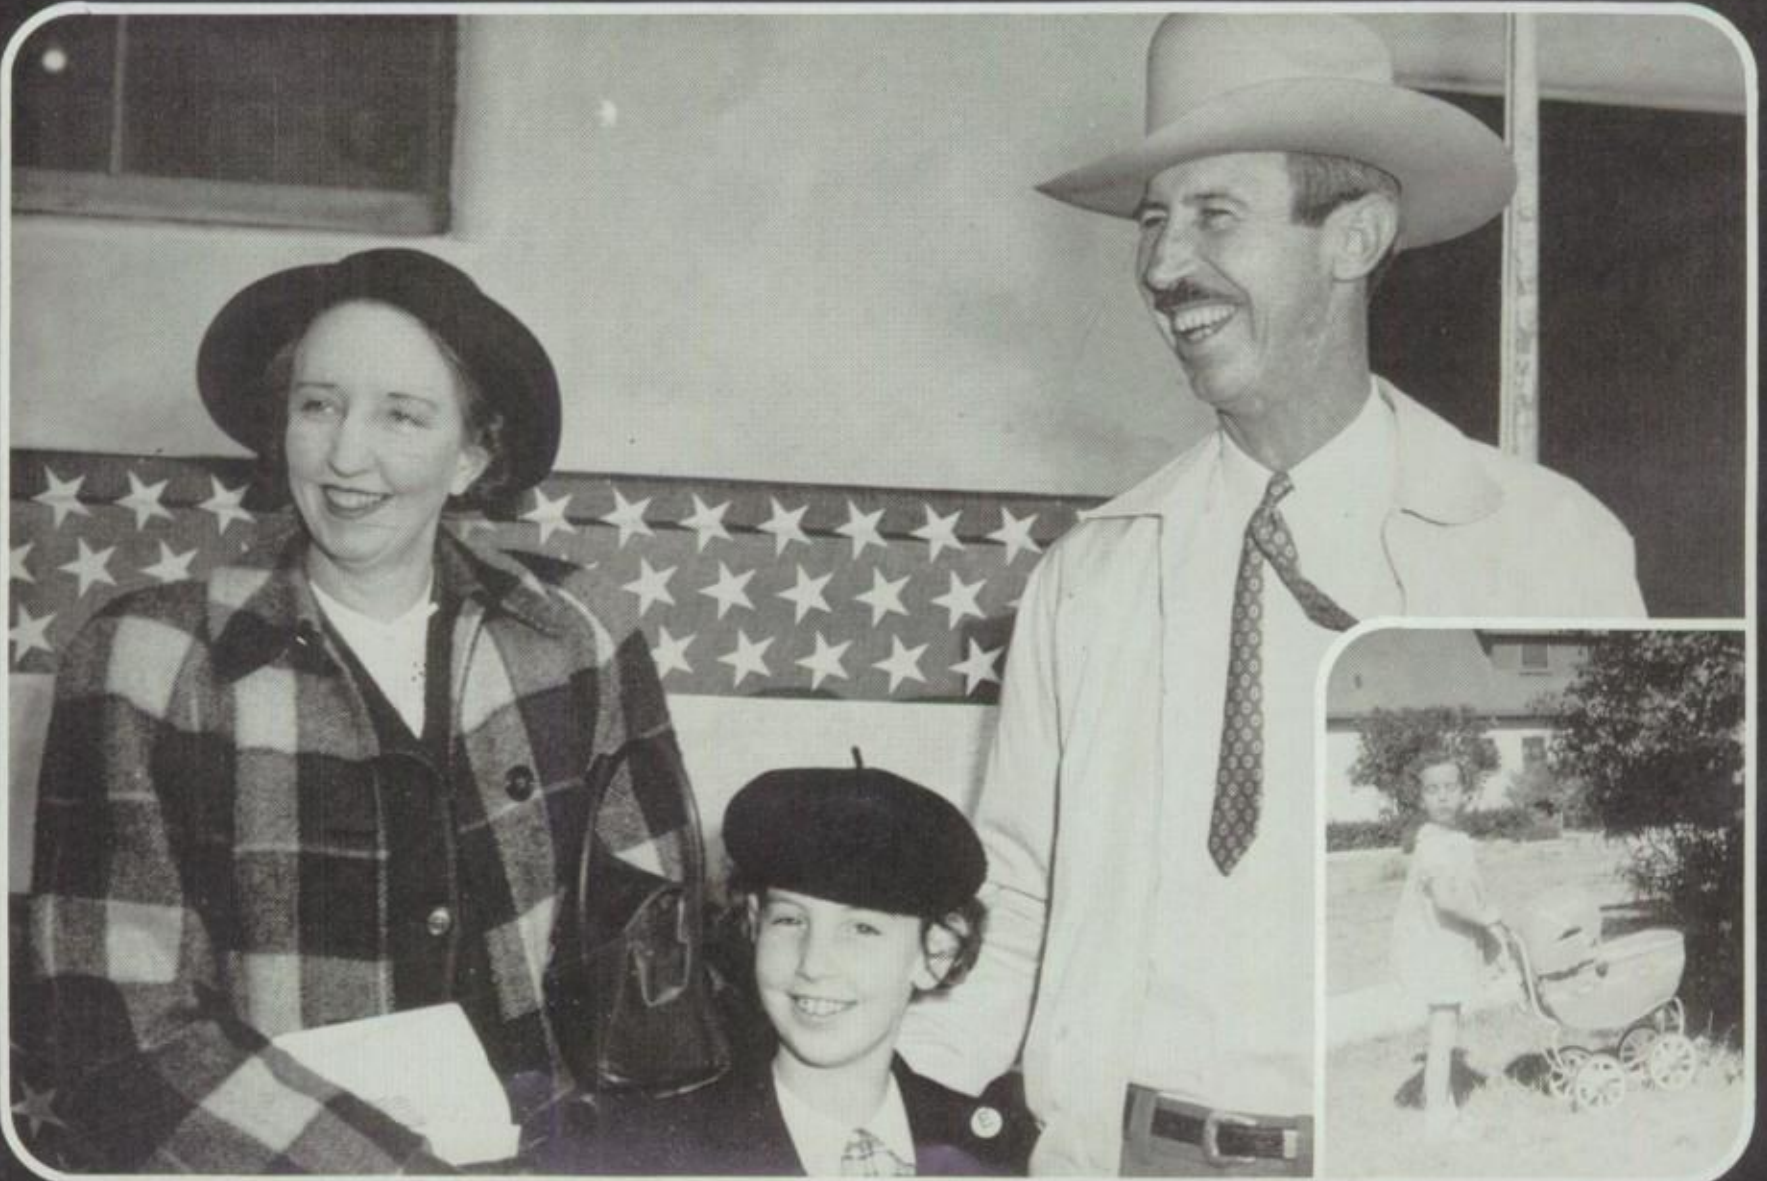

# FOR ALL THOSE YEARS...

Although many students rarely have a chance to see her and talk with her, she is an integral and important part of the Francis Parker staff. We are all, as a whole, dependent upon her. The entire development process at Parker depends upon her.

She is a native southern Californian and she is also an alumnus of our school. She graduated from Parker in 9th grade, for that was the highest grade offered, and then proceeded to graduate from The Bishop's School.

In 1968, she returned to Francis Parker, not as a student, but as a member of the Parker staff. Being on the Parker team for nearly 15 years, she has been able to see it grow dramatically.

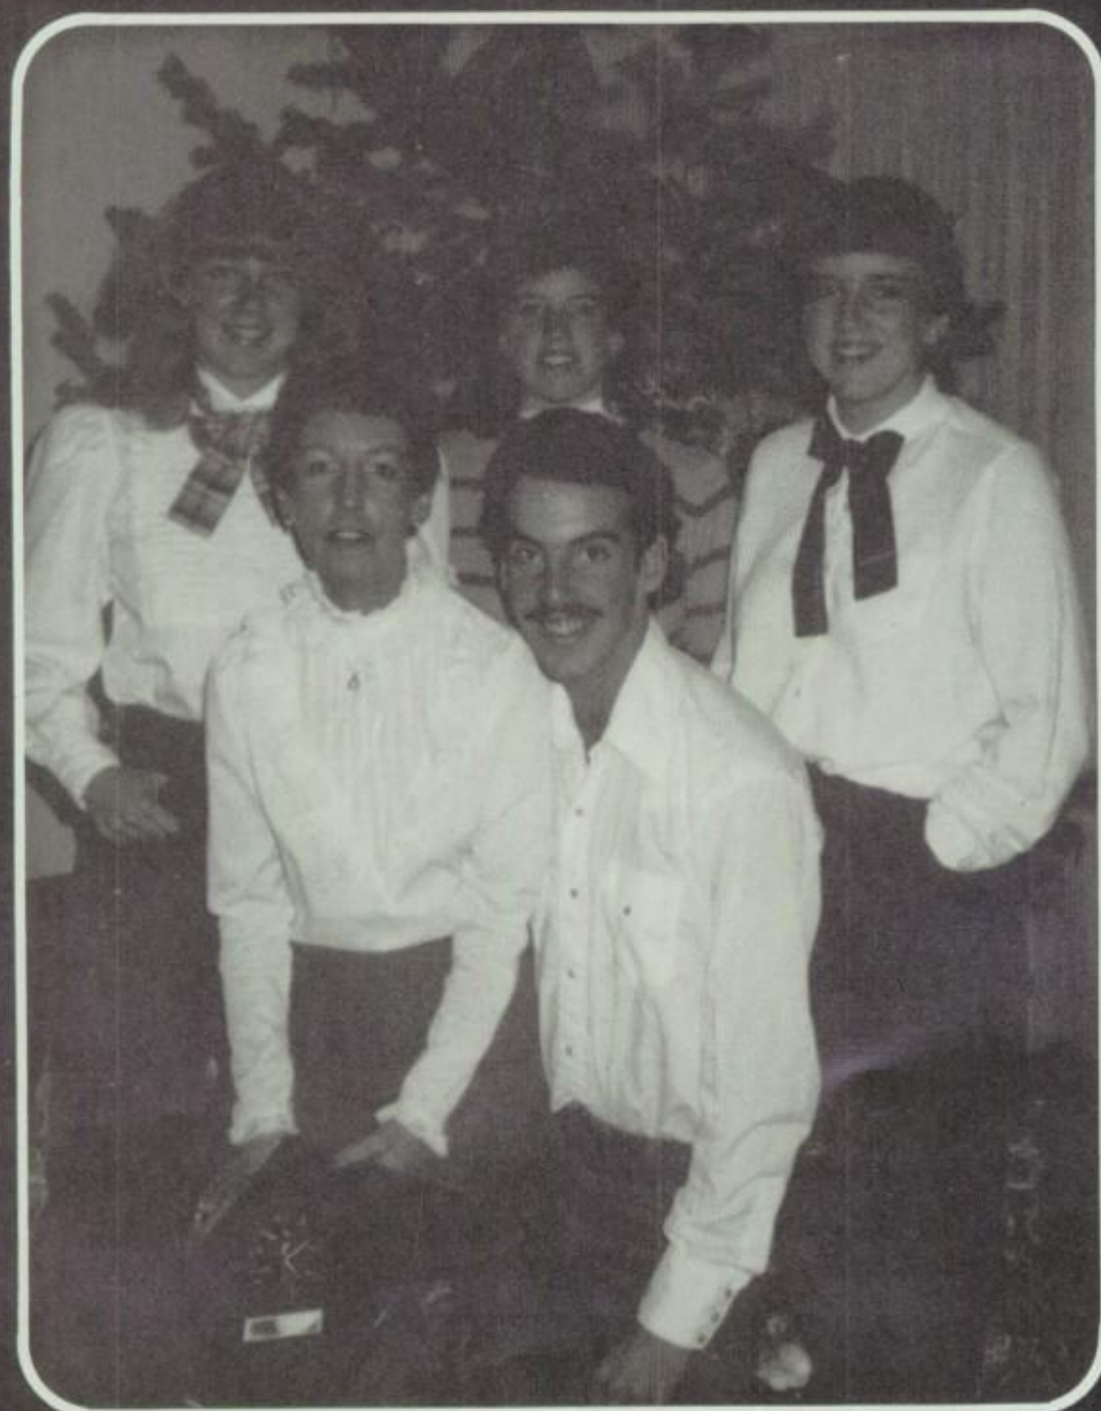

In her years at Parker, her responsibilities have changed and expanded to better fit the needs of Francis Parker. She has been the administrative assistant, only second to DC, for the past 15 years. Some of her other contributions include working with the different committees of the Board of Directors, and being the secretary of the Board. She is also responsible for the finances and development at Parker.

Not only has she grown with Parker, but so has her family. She has had four children and all have been important assets to our school. Her oldest daughter, Jennie, is now a member of the coaching staff at Parker, while her son, George, is a student at the University of Wyoming. Amy is a member of the class of 1984, and Emily will be graduating in 1986.

Mrs. Smith is an important asset to Parker and to its students. Her ties to Parker do not end with the school day. Often she extends her gracious hospitality at home, where Parker students gather on a regular basis. She is a person we can all look up to, respect and appreciate for all the values she has taught us.

Here's to you Mrs. Smith  
-and THANKS

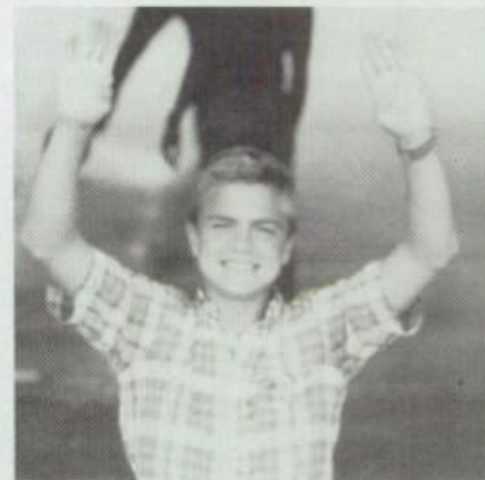

# EXPRESS IT

We feel that Parker students are unique in that they are free spirited, bold and eager to express their feelings.

The anxiety of newcomers, the pressure of responsibility and the spirit of homecoming are just a few of the emotions exhibited. As time progresses through the months and people become more comfortable with their peers, the individual classes acquire a definite emotion that characterizes that particular grade.

Even the "adult life" around Parker displays signs of this phenomenon. The faculty, administration and staffs each convey distinct feelings to the students and each other. As a whole, these feelings and emotions of all around us make the

# WITH EMOTION

experiences and memories of Parker that will be cherished forever.

This year we have gathered together for you Parker people as they experience life at this school. The pages which follow are unique in that they capture a "feeling" of the 1983-84 year instead of presenting a mere pictorial review. These emotions are generated from everyone and they permeate every room. Many memories are here. We wish to present them to you by showing how the people of Parker "express it with emotion."

## EXPRESSIONS OF EMOTION

A pretty cheerleader  
jumps with joy

An athlete glances determindly  
down a rugged field

A harried student  
tosses arms in air

A teacher shrugs  
at too complex a question

The world revolves on  
laughs and shrugs and glances

Expression is the pulsebeat  
of the mind.

## A collage of 15 black and white photographs of students in various school settings. The photos are arranged in a grid-like fashion with some overlapping. The subjects include: a student working at a desk; a student smiling in a classroom; a student sitting on a bench; a young boy looking off-camera; a group of cheerleaders sitting on a bench; a student in a white shirt looking to the side; a student at a desk with a typewriter; two male students smiling, one in a 'MT. ST. CROSS INVIT' sweatshirt; a student in a sailor-style outfit with a crossbody bag; a student studying at a desk; a group of students walking on a path; a student in a white shirt and dark pants; a student in a white shirt with 'FPW' on it; and a student with glasses looking down.

A horizontal strip of four black and white photographs showing close-up details of clothing and accessories. From left to right: a close-up of a textured fabric, possibly a sweater or scarf; a close-up of a person's arm wearing a patterned sleeve; a close-up of a person's hand holding a small object, possibly a cigarette or a pen; and a close-up of a person's hand resting on a surface.

SOPHOMORE ATTENDANTS: Craig Hamett and Carrie Rentto

Homecoming 1983 was an eventful, high-spirited day not soon to be forgotten. With a Lancer victory, and the crowning of a new queen, the day was filled with excitement. Homecoming 1983 was a year of change and the beginning of a new tradition at Parker. The queen and her court were paraded around the field before the football game rather than during halftime and leading the parade was the JV and Varsity cheerleading squads in their "spirit truck". Lauren Young was crowned Homecoming Queen and was escorted by Eric Subin, Senior attendants were Kendall McIntyre and John Romero, and Jenny Hansen escorted by Ted Gildred. The underclassmen were represented by Juniors Bobbi Rhein and John Fowler; Sophomores Carrie Rentto and Craig Hammett; and Freshmen Andrea Lamberti and Ken Subin. Homecoming was an exciting event for all, whether spectators or participants, and it is a day that will be remembered by many, especially the Class of 1984.

YES!

Tantalize me!

Cheerleaders lead the homecoming parade.

Strange costumes abounded as the spirit of Homecoming pervaded the air in the week before the crowning of King and Queen. Colorfully dressed students electrified the air with expectation of the coming festivities. But Spirit Week was a spectacle in itself. Students were able to express some of their inner selves through personalized costuming. Monday was Clash Day; Tuesday was Toga; Wednesday was Hippie Day; Thursday was 20's Day; and Friday was Brown and Gold. If the idea of Spirit Week is for everyone to express School Spirit and have fun, then this year's certainly served its purpose.

America flashdances to the audio-video beat of MTV. Michael Jackson walks away with seven Grammys. Europeans protest American Pershing missiles. Yuri Andropov dies a protracted death while Sally Ride, the first woman in space, orbits the earth. Barbra Streisand dresses up like a man and Mr. T turns nice. A Korean Airlines jet is destroyed by Russian missiles while the International Coffee Distributors launch a dazzling campaign and Lee Iacocca promises a healthy rebate from Chrysler. Jesse Jackson runs for president hoping to usurp the oldest man ever to hold that post. A black Miss America is crowned and the nation shivers in fear of "The Day After". America proves herself militarily superior to sixty Cubans in Grenada. Stylish young people smile beneath dark Ray-Ban sunglasses, the Beach Boys lose a beloved member, radical changes come to the Francis Parker quad; and tears are shed for "Terms of Endearment". America reaches for Olympic Gold while war wages in Lebanon. It's been a year of action and complexity from a student's eye view. ## BIKE CLUB

The Bike Club was formed by Dave Johnson, Alan Johnson, Dan Kuiper and Ed Helscher in order to spread the joy of open-air exercise on a bicycle. This Senior High Club pedaled their way to the Point Loma Lighthouse, the La Jolla Cove and up to UCSD. The club hopes to end the year with an "overnighter" to San Clemente and to continue these types of trips in the future.

## KARATE

Parker students continued their dedication training in Karate-do under chief instructor Jerry Devine. Training three times a week all year, the students learn self-defense and artistic forms in rigorous classes that can last three hours. Highlights of the year included three day workout camps in the mountains, both winter and summer. The members study a traditional form of Karate called WASHIN-RYU which places considerable emphasis on philosophy and conduct.

## FOREIGN LANGUAGE

The Foreign Language Club began the 1983-84 school year with new officers, 60 new members, and an optimistic outlook. Their plans were to have a successful year not only providing entertainment and enjoyment to Parker students, but also education on the various languages and cultures in the world. The club feels that this year has been a great success and that they were able to fulfill these goals. With such activities as guest speakers and the Foreign Language Treasure Hunt, the club educated members about culture and language while at the same time making the learning enjoyable. The Club hopes that they have opened a new world to Parker students, one that they will be able to use in the later part of their lives.

## SCIENCE FAIR

Parker's first annual Science Week was held in February under the direction of Tom Eversole. Over 150 projects were displayed. These included 43 entries in the Greater San Diego Science Fair of which seven first place winners were selected by the city's judging team. The 8th grade Egg Launch contest consisted of 37 entries of creative capsules and launching mechanisms. This contest along with the Science Week will continue to be an annual event at Parker.

# SPOTLIGHT SHINES AS CHARACTERS COME ALIVE

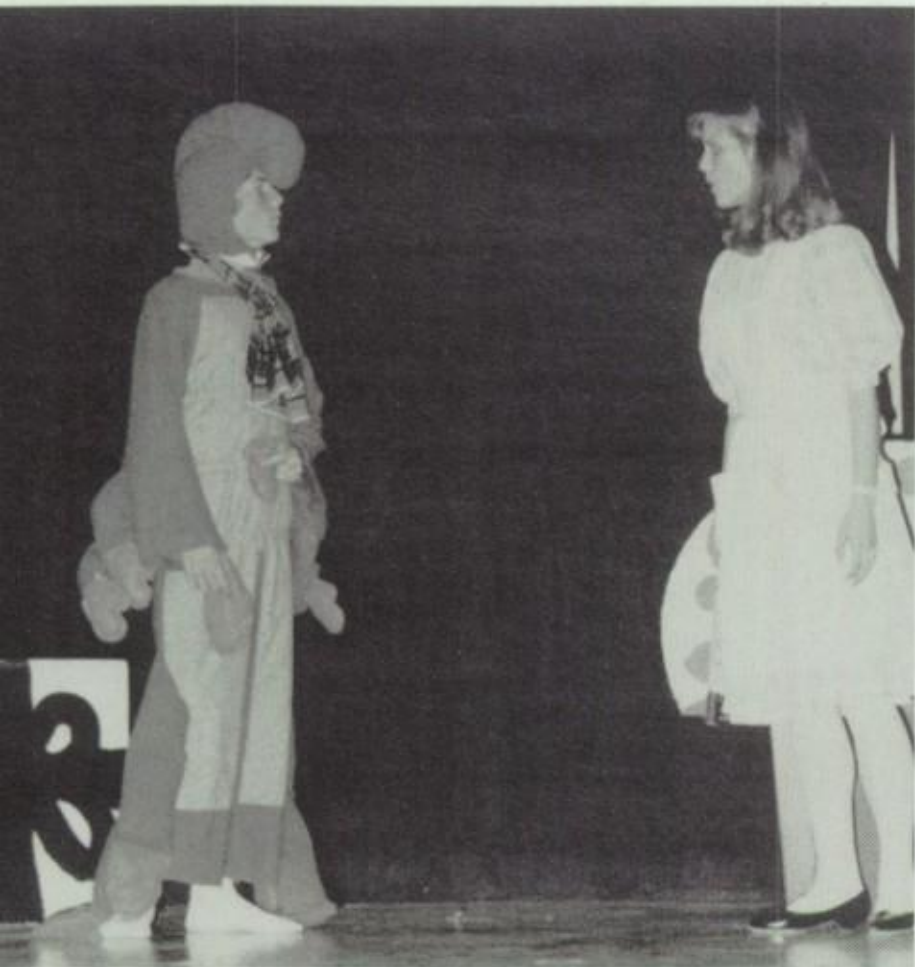

The music/drama class, under the direction of Coy Lea North, presented three enchanted evenings of "South Pacific" for their fall production. The cast, in order of their appearance, included Michelle Brown, Ngana (and Ensign Genevieve Marshall); Cindy Driscoll, Janine (and Ensign Connie Walewska); Kathy Young, Henri; Kendall McIntyre, Ensign Nellie Forbush; Joseph Morfin, Emile DeBecque; Jamie Woods, Bloody Mary; David Tarte, Stewpot; John Fowler, Luther Billis; Electra Field, Professor (and Lt. Buzz Adams); Ted Gildred, Lt. Joseph Cable, USMC; Rocky Herron, Capt. George Brackett, USN; Marc Channik, CMDR William Harbison, USN; Robin Filderman, yeoman Herbert Quale; Sharon Spain, Seaman Tom O'Brien; Nancy Wintringer, Radio Operator Joe McCaffrey; Sabrina Clarke, Seaman Hamilton Steeves; Karyn Harcos, Ensign Janet McGregor (and Marcel); Cheryl Darer, Ensign Lisa Minelli; Amy Smith, Ensign Pamela Whitmore; Erica Phillips, Ensign Bessie Noonan; and Danielle Kaplan, Lt. Stage crew and lighting technicians were Emily Smith, Bill Ruff, Napoleon Jones and Brian Keyser.

For the first time, the Drama I class was put in the spotlight with their production of "Alice in Wonderland", presenting two performances for the Lower School and one for the High School. Though a lot of hard work, this proved to be a very successful project.

In keeping with the Olympic spirit, the music/drama class chose "Damn Yankees" as their spring production. Yes, the Washington Senators finally won the pennant but not without some help from a "firey" character. The highly enthusiastic and talented cast and crew made for three very successful performances. All in all the three productions contributed to a varied and successful theatrical season.

TOP: Ted Gildred, Eric Subin, MIDDLE: Darcy Rhodes, Emily Smith, Allison Pay, Cindy Driscoll, Andrea Lamberti, Tracy Hughes, Yolanda Walther-Meade, BOTTOM: Amy Swartz, Amy Smith, Advisor David Johnson, Jamie Woods, Julie Barrett.

Many new programs were initiated by the Student Council this year, under the leadership of President Eric Subin and the guidance of Mr. Dave Johnson. The other officers who made the term such a success were Vice President Ted Gildred, Secretary Allison Pay, Treasurer Jamie Woods and Commissioner Of Publicity Julie Barrett.

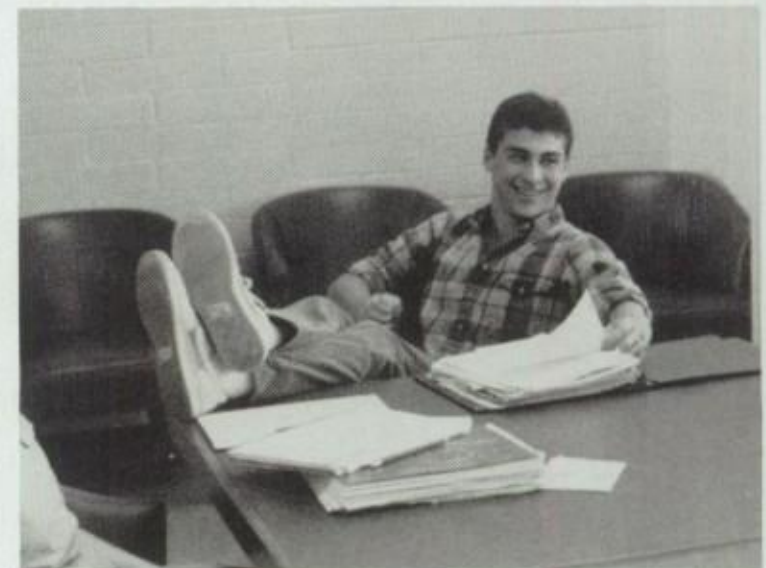

For the first time the Student Council got Parker involved in the foreign exchange student program by sponsoring a junior from India. The Ski Swap Meet, the First Annual Club Day (which produced the bike and ski clubs), a column in The View, sponsorships and ribbons for homecoming, as well as getting school buses during school for CIF playoff games were some of the year's accomplishments.

The Triad idea (Parker, La Jolla Country Day, Bishop's) collaborating activities was very successful this year. Between the three schools, there was at least one informal dance every month, with a very successful Triad Winter Dance to highlight the year's activities.

Some of the assemblies sponsored by the Student Council were the Spizwinks, The Joy of Sax, Edward Jackman, the Globe's Wrath of Achilles, and the Bishop's Dance Troupe. The planning is an assembly of break dancers and a powder puff football game.

Girl's League is an organization of senior high school girls which defines itself as primarily philanthropic and service-oriented. The girls focus their time and attention on the aged, the needy and those school activities which require service. Girl's League encourages all females to participate in the activities.

After elections this year the League quickly moved to fill the yearly calendar. The girls visited Mission Convalescent Home several times. A highly successful Thanksgiving food drive culminated in the collection of thousands of cans of assorted foods which were taken to Linda Vista Neighborhood House. The girls also decorated the cafeteria throughout the year. They were involved in seminars, a rummage sale, the Spring Faire, a Faculty Tea and a mother-daughter fashion show.

The girls had a successful year, working hard under the leadership of president Hilary Caplan, vice-president Liz Campbell, secretary Renee Allison, treasure Lauren Young, and Commissioner of Publicity Robin Filderman.

## JUNIOR HIGH GOVERNS COMPETENTLY

Under the strong leadership of Ungela Brockman and the guidance and supervision of Mr. Ghironi, the Jr. High Student Council had a very successful year. They met twice a month to discuss such topics as their Game Nights, magazine sales, a Disneyland trip, bake sales, visits to the convalescent home, and assemblies for Jr. High. They culminated this year's activities with contributions of money and equipment to the school.

Girl's League at the Jr. High level has been most active in their promotion of Jr. high and community activities. With the strong membership of the entire female, Jr. high population they have been able to produce such functions as Convalescent home visits, red cross children courses, and a trip to the Cancer ward of the Children's Hospital. The lighter activities of the League have included an unprecedented two games nights as well as Christmas candle and candy sales.

1983-1984 was a year of change for THE VIEW. Not only did the staff get their own computer in Room 8, but they also introduced a new format for the paper. The new VIEW is folded and smaller, making it easier to read and giving it a more professional appearance.

A strong editorial staff kept a large meeting their story and picture deadlines. They prided themselves on thorough coverage of people and events. For example, the December issue included over 215 different students' names.

The January edition focused on the summer Olympics and Olympic Heritage year. As usual, the April Fool's paper kept readers laughing.

# YEARBOOK BREAKS NEW GROUND

Giving new perspectives on a traditional yearbook was the attitude of this year's CAVALCADE staff. With changes in companies and production techniques, the editors adjusted quickly under the direction of Miss Marrone as the new advisor.

The design of the original cover, the return to black and white and the artistic expression of the endsheets were a few of the liberal changes applied to this yearbook.

From the selection of a theme to the pressure of a deadline each newcomer and veteran shared their ideas, effort and determination to make this CAVALCADE the best yet. We hope you agree!

# IMAGINATION AT WORK

The electives here at Parker, provide students with an opportunity to expand their interests and artistic talents. With all of the pressures of a heavy academic load, students value the much needed break from stress. Such diversions as Art, Woodshop, Computer and Journalism continue to be popular.

Mrs. Terpening has been added to the Parker staff and offers Speech and Debate as a new alternative. The annual production of the yearbook is under the direction of a new advisor, Miss Marrone. All in all, the electives should prove successful in the future as they continue to be this year.

BACK LEFT TO RIGHT: Kathy Gooding, Michelle Brown, Lorii Stanger, Mark Perlman, Mike McNitt, Bobbi Rhein, Jenny Hansen. FRONT LEFT TO RIGHT: Eric Subin, John Fowler, Laura Ilko, Mrs. Corbin, Mr. Pooch.

With only two members at the onset of the year, the Cum Laude Society decided to admit two more senior members. Joining last year's members, Eric Subin and Lorii Stanger, were newcomers Jenny Hansen and Kathy Gooding.

Assisting with the decision making was a large group of junior provisional members. Advisors Mr. Pooch and Mrs. Corbin selected Laura Ilko, Mark Perlman, Mike McNitt, Michelle Brown, Roberta Rhein, and John Fowler to represent next year's Cum Laude.

This year's activities began with an extremely successful college night. Numerous schools were represented by Parker graduates who talked informally with current upperclassmen about their college experience.

The traditional book fair was held in December, offering a multitude of books, posters, bookmarkers and Santa Garfield dolls. This event was also termed as successful. These proceeds went back to the students in the form of cash awards for the winners of the Cum Laude sponsored Oral Essay Contest.

# D.C. EXPRESSES IT WITH EMOTION

Many people think being the biggest of any thing isn't necessarily being the best. However, the Class of '84 may be a testimonial to the contrary. They are Parker's largest senior class (51) ever, and in my mind (and heart) they are SPECIAL.

Most of them are "products" of the Parker college prep curriculum having been here since junior high days. Fourteen of them spent time at our Lower School and five of them, Beth Keely, Amy Smith, David Buck, William Kelly, and John Romero have been with us since Pre-School or Kindergarten.

Most of them have participated in at least one varsity sport. More than half of them have earned varsity letters, every year for four years in two or more sports. When they leave, most of the teams in the Southern League will breathe a sigh of relief that they're gone.

They have been innovative in their school activities. They have chosen their leaders with maturity and good insight. They have been high spirited, loyal to the school, able to accept criticism, kind to one another, friendly and they've kept their sense of humor.

Parker has been a better place because of all these qualities. The school has grown, matured and known many successes because of this Class of '84. For this we are eternally grateful.

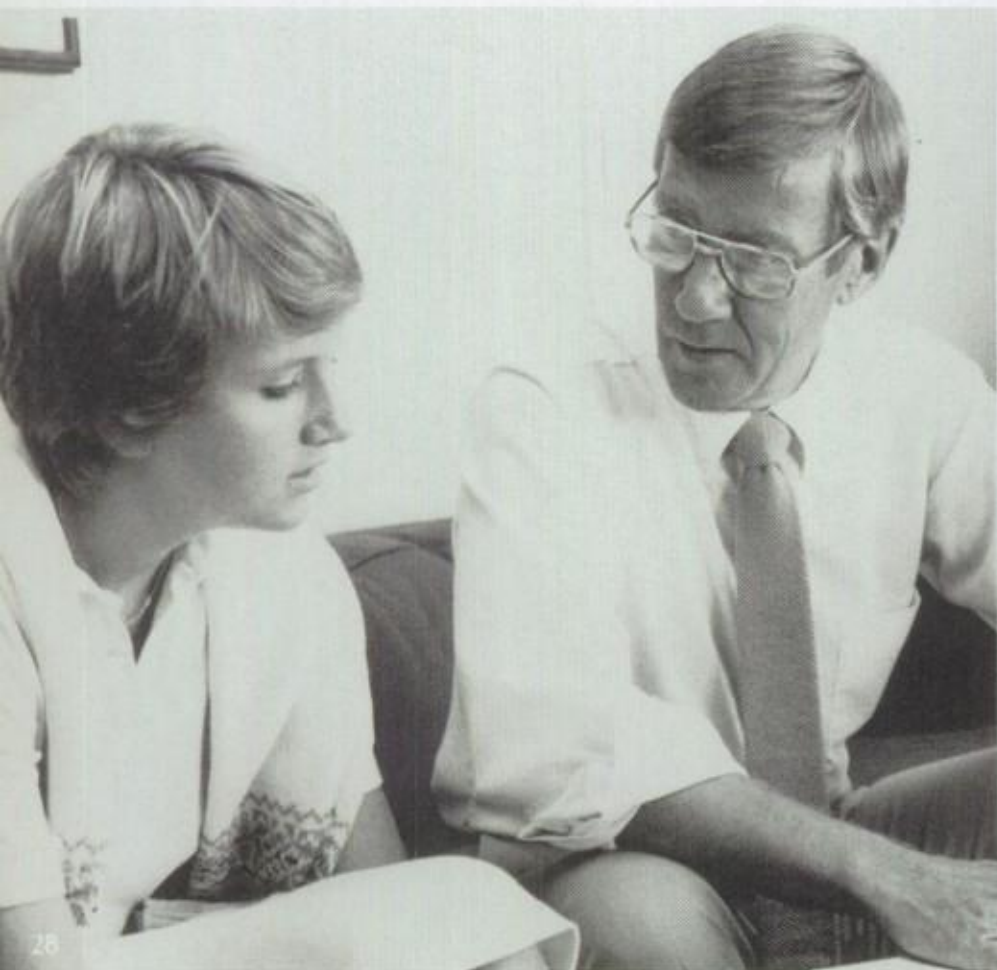

As for their future, I think of Robert Frost and his words in "The Road Not Taken":

Two roads diverged in a wood, and I-  
I took the one less traveled by,  
And that has made all the difference.

These 51 seniors are taking different "roads" and not necessarily the easiest ones. When they go and whatever they do and in whatever space they occupy, it will make all the difference because they were there. They're the best of the best.

# PERSONNEL PIZZAZZ

Diana Midlam works with Parkers Development office. This is her sixth year with this position producing the flyers and feature articles for Parker students and parents. Mrs. Midlam stated "I get a bit of everything." Without her taking those bits and pieces, Parker would be "in the dark" about many school functions.

Pat Helwig has been devoted to Parker for the past fourteen years. Her wide range of duties include receptionist, ordering supplies and making programs for sports and student records. Her warm and smiling face in the office is important to the students and faculty of Francis Parker School.

Jan Rogers has been working at Parker for nine years. Her responsibilities consist of taking minutes at Board and Committee meetings, helping with the Development office and coordinating college admissions. Her helpfulness is always appreciated by everyone, especially the senior class.

Mrs. Smith is the administrative assistant to Dr. Crone and secretary of the Board of Directors. During her fifteen years at Parker, her talents are dispersed between the lower and upper schools, arranging special school activities and aiding bookkeeping.

## DYNAMIC DEANS

The deans at Parker are an integral part of the education process. Their counseling and advice are a great aid to thriving, struggling Parker students. Overall, the responsibilities of a dean include academic and social counseling, admissions testing, and scheduling. But their jobs don't end here. Their contribution continues in the classroom, each in a different subject area.

## FACULTY FINESSE

Teaching on two levels has been important to the faculty this year. Challenging assignments have been tempered with personal interest and individual interaction. Education, which is the overall goal, has occurred in and out of the book in the form of one on one help, extra-curricular assistance, and expanded horizons in the classroom beyond reading, writing, and arithmetic.

# SUPPORT GROUPS AID WITH ENTHUSIASM

Francis Parker has enjoyed the productive support of the Board of Directors, Mother's Club and Father's Club for many years. This year, these organizations have displayed a healthy integration in having mothers as members of the Father's Club and vice versa. This does not seem to have slowed the groups down much, as the Clubs have been able to sponsor their usual diversity of fund raisers, support committies and Club sponsored activities. They are indeed an integral part of the Francis Parker family.

BACK LEFT TO RIGHT: The Honorable Fred Link, Jim Hill, Ed Cunningham, Philip Gildred, Carrell Reavis, Bill Carroll, Kevin Midlam, Paulette Kosmos, Jeff Mason, Margie Arneson, Jeremy Berg, William Beamer, Dr. Tom Joas, Dr. David Subin, Dr. Doug Crone. SEATED LEFT TO RIGHT: Janet Smith, Jeanne McNitt, Sharon Beamer, George Bee and Sandra Vecchione.

The newly integrated Father's Club enjoys breakfast.

SEATED LEFT TO RIGHT: Joy Spradling, Jeanne McNitt, Jill Young, Katey Zolezzi. STANDING LEFT TO RIGHT: Mary Ruyle, Penny McKittrick, Dawn Mattniesen, Doris Tillet, Sandra Pay, Maria LaGreca, Sharon Beamer, Janet Smith, Elleene Douglas, Patricia Perlman, Linda Copson, Carol Jensen, Sook Bower, Diana Midlam, Pat Wittberger, Betty Broderick, Judie McDonald, Marie Louise Kent, Barbra Brauer, Sandra Vecchione, and Sharon Carroll.

The enthusiasm of the Father's Club and Mother's Club shows through their monthly meetings and annual events. TOP LEFT: The fearless leader himself. ABOVE: Mrs. Midlam confers with the mother's on the final details of an event. TOP RIGHT: Mother's industriously planning. CENTER RIGHT: Homecoming refreshments serve to raise money. BOTTOM RIGHT: A serious approach gets the job done.

# STUPENDOUS STAFF

Some of the added assets of Parker are the highly qualified maintenance staff, the friendly, helpful cafeteria crew and a reliable transportation department. The maintenance staff keeps the campus neat and trim and the classrooms immaculate. The cafeteria personnel provides Parker students with delicious meals. Of vital importance is the transportation department in getting students to and from school and to extra-curricular activities. Keep up the good work; we couldn't do it without you.

## A collage of 12 black and white photographs showing students in various school activities. The photos are arranged in a grid-like fashion with some overlapping. The subjects are mostly young people, likely high school students, engaged in different tasks and settings. The photos capture moments of social interaction, academic work, and participation in school sports and events. The overall tone is candid and documentary, typical of a school yearbook. The students are dressed in casual attire common in the late 1970s or early 1980s. The settings range from outdoor fields and bleachers to indoor classrooms and locker rooms. The collage effectively illustrates the diverse experiences of the student body during their school year.

# 11TH GRADE-CHALLENGED

The new juniors have found their intellectual skills challenged by the difficult 11th grade workload. Tired eyes and high stacks of books are marks of this studious class. Known by their brightness, this class has adapted and survived to not only meet their academic responsibility - but also to participate in sports, extracurriculars, and an exciting social life.

Non-Comformity ... Variety ... Strange Behavior ... this year's 10th grade has equal portions of all of these things. New ideas and fashions have found warm homes in the hearts of this unique and original class. From super-spirited supporters and athletic stars to dedicated students this class overflows with originality, freshness, and creative potential. The future has much to look forward to in this energetic group.

# 8TH GRADE- ENTHUSIASTIC

With their high spirits, desire to explore and ambition to succeed the eighth graders return to Parker. They have survived the transition to the upper school and they display their command. Their enthusiasm for all aspects of learning is admired by the rest of the student body. Enthusiastically they anticipate entry into high school life.

# 7TH GRADE-TRANSITIONAL

They are anxious, yet a little frightened; full of energy, but cautiously reserved. These are all signs that the seventh graders have retained their high spirited personalities, characteristic of sixth graders. However, they are unsure of the change in values required to advance to their new lifestyle.

Though the transition from the Lower School to the Upper School can sometimes be an isolating experience, the seventh graders have taken well to their new surroundings. Instead of being absorbed by Parker, they have become a respected contributing body to the school. Parker is happy to welcome these new additions in hopes that they will continue through the years with a similar enthusiasm that they have displayed this year.

The Football team had another outstanding season, finishing 7-0 and claiming their third consecutive Coastal League title. They extended their regular season winning streak to 17 games.

The Lancers dominated the all-league selections as they ruled the league. Of the 17 first-team all-league selections, 11 were Lancers, as was the league MVP and Coca-Cola Golden Helmet recipient John Romero.

The offense rolled over opponents year long, scoring over 37 points per game. It was led by Romero, who gained 1158 yards on the ground, averaging 8 yards per carry and scoring 19 touchdowns. All-league quarterback, Tom Goodwin, directed a balanced aerial attack. Lloyd Russell led the team with 12 receptions, and All-league end Paul Fry added 11, averaging over 18 yards per catch. All this offense was made possible by the outstanding blocking of the front line, led by All-leaguers Michael Castagnola and Peter Collins.

The defense also excelled this season, holding opponents to an average of 10 points a game. Romero also led the team in tackles (98) and interceptions (3). Michael Moore, who was chosen as an All-league linebacker, had 96 tackles for the Lancers. Hector Zatarain led the team with an outstanding 10 sacks in 6 games.

Although the Lancers lost in the first round of the playoffs, they proved once again that they were a dominant team in the Coastal League.

# VARSITY HOOPSTERS GAIN PLAYOFFS THROUGH TEAM CONCEPT

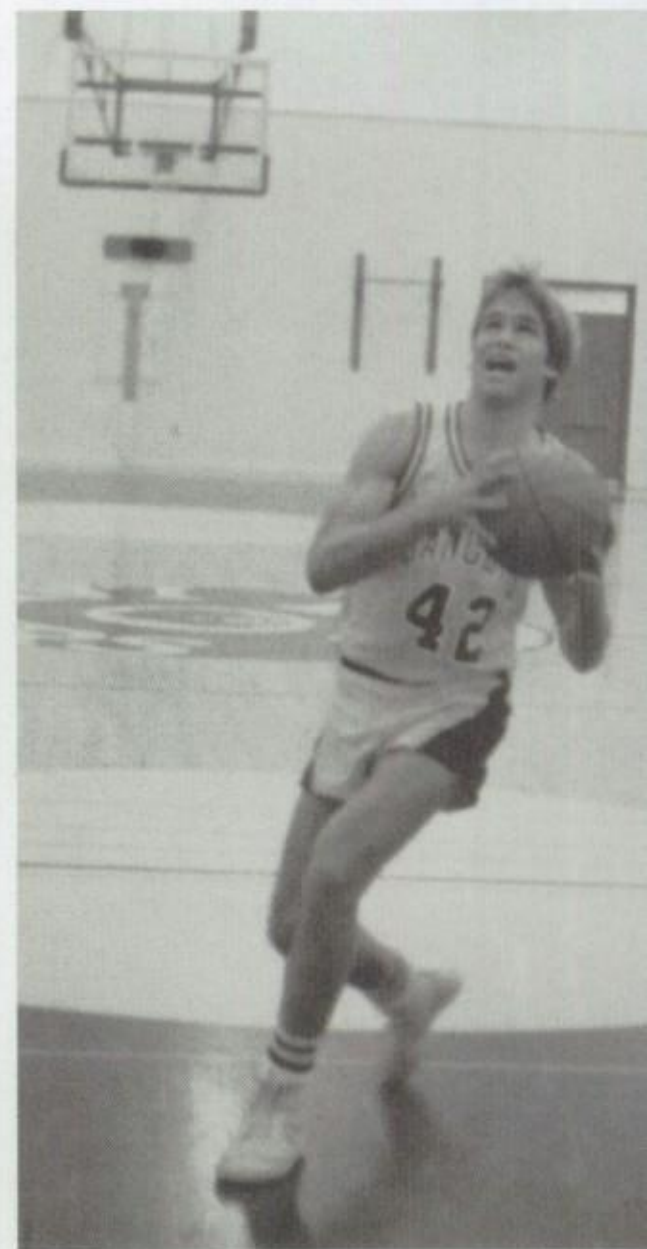

Jeffrey takes it up on Julian.

The varsity basketball team went beyond everybody's expectations and came away with a 14 - 8 overall, 8 - 4 league record, and a berth in the playoffs. While most of the Coastal League experts predicted the Lancers to be around the .500 mark, a balanced attack and a stiny defense allowed the squad to scintillate.

Seniors Jeff Heikkila, Eric Rindal, Toler Goodwin and John Romero all contributed to the teams success. Heikkala poured in 13.8 points per game and grabbed an average of 10 rebounds. Rindal scored at a 10.7 rate, many coming on bombs from the perimeter. Goodwin, in his third varsity season, played excellent defense while scoring 6.8 ppg and pulling 9.5 rebounds. The teams assist and steal leader was John Romero, who chipped in 8.1 points.

Juniors Lloyd Russell and Victor Zatarain alternated as the fifth starter, with Russell providing the shooting and Zatarain the inside game. Returning senior Hector Zatarain gave the Lancers consistency off the bench.

The highlight of the season was when the Lancers "faced" an overconfident Borrego squad, 67 - 55, on Parker's home court. Coaches Ed Helscher and Kerry Keehl were responsible for turning the team from an average squad into a playoff participant.

The Varsity baseball team have their sights on a great 1984 season. With the loss of only three players, the team looks strong. The two returning All League performers, Lloyd Russell and Victor Zatarain should give the Lancers strength on the field and at the plate.

The Lancers seem to be strong in the top half of the hitting line up with the bottom half of the line up improving steadily. Captains Phil Adler and Jeff Heikkila will lead the team in spirit and sportsmanship.

Coaches Keehl and Glassey have worked extremely hard to make this team a contender for the championship. This should prove to be Parker's best year ever.

Varsity soccer captured the Southern League title for the first time this year, tying Bishops with an identical record, 9-1. The squad experienced many ups and downs, but managed to earn a birth in the CIF playoffs, facing St. Augustine in the first round.

Freshmen Bryan Keyser and Scott Hylbert teamed with the oft-injured Mike Lewis to provide the offensive firepower. Halfbacks Paul Frye and JP Leasure were constant performers both offensively and defensively, while seniors Kevin Stephenson and Eric Subin combined to form a solid defense. Goalie Mike Moore, played well as the last line of defense.

The high point of the season came when the Lancers slipped by an overconfident Bishops team, 2-1.

Sophomore Bill Ruff and junior Darcy Rhodes led the cross country teams to their most successful seasons ever.

Ruff ran to first places in the Spartan Relays, Southwestern College Invitational and Mt. Sac Relays. He finished second in league finals, as did the boys team. Derry McIntyre and Larry Russell consistently placed in the second and third places, and Ben Buser contributed three second places in league meets.

The girls squad finished third in the league finals, with Rhodes picking up an eighth place medal. Kristin Lang earned medals in the Mt. Carmel Relays and the Spartan Relays and Rhodes equaled her with two medals.

# TRACK GOES FOR GOLD

Ladies and gentlemen... The track team.

The Varsity track team will rely on a good deal of youth as well as many returning runners to lead them to a successful season. The boys team will be competitive in the field events with Steve Michel heading the shot put and discus and Ben Warren leading the high jumpers. Hector Zatarain and William Kelly look to be the top middle distance runners while Cliff Gill and John Romero will join to give Parker a strong sprinting team. Bill Ruff, despite coming out late due to injury, will continue to be one of the top distance runners in the Southern League.

Cindy Driscoll was the best girls long jumper and Tracy Hughes the top middle distance runner at press time. Sprinters Laura Goodwin and Holly Bauer will join distance runners Kim Welty, Katrina Strathmore and Susan Hansen to give the female Lancers a strong running corps.

Leslie Trepanier will coach the runners while former All-American high jumper Doug Reinhart will supervise the field event personnel. The combination of these two highly qualified people should lead the team to a successful season.

# EXPECTATIONS ARE RISING

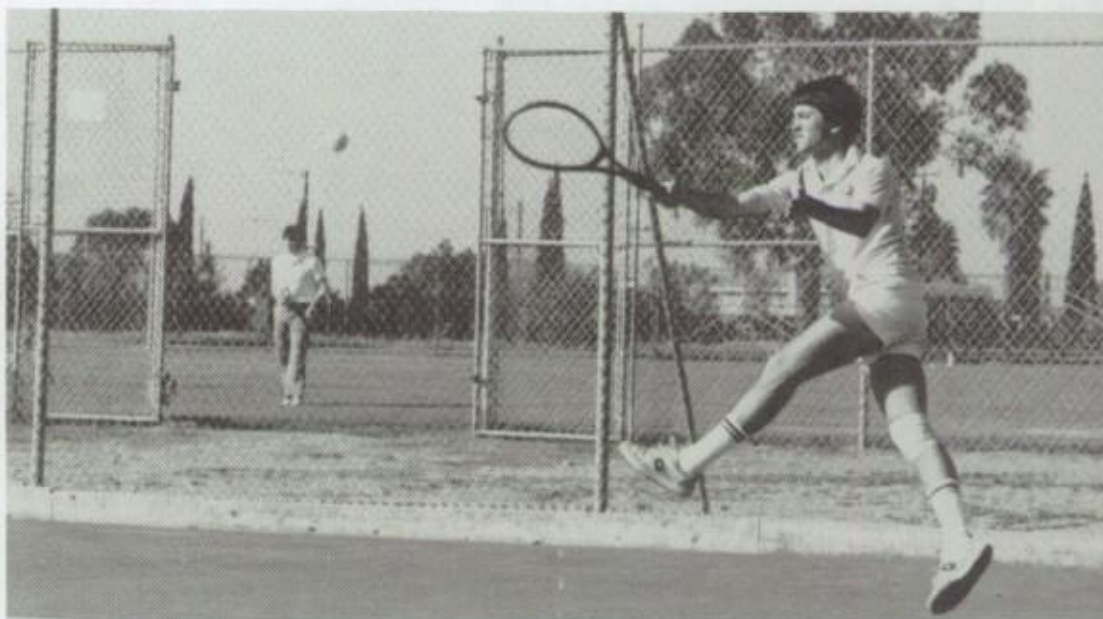

Rising from consistency to greater success will be the objective of the Parker Varsity Tennis Team. The young team directed by Coach Dan Kuiper, looks very likely to go far this year. With top players Jamie Ogle, Mike Lewis, Lisa Takashima, and Chris Wallace the team has already beaten larger schools such as St. Augustine, Kearny and Crawford. The only trouble that the team seems to have is injuries to their top player, Jamie Ogle. Coach Kuiper feels that Ogle's recovery will further increase the teams success.

# VARSITY EXPRESSES

Standing from l to r: Elizabeth Campbell, Monique Soares, Christine Gleason, Carrie Rentto, Becky Hicks, Lee Copson, Bobbi Rhein, Amy Swartz.

Varsity cheerleading captured the spirit and enthusiasm that was present at each sports in which they participated. Four of the cheerleaders returned from Varsity 82-83, one moved up from J.V. and three seniors joined the group for their first time.

Because of the new sports schedule, the cheerleaders had the opportunity to cheer for both girls and boys basketball in one afternoon. Soccer was also supported by the cheerleaders this year. Lee Copson stated: "This year's squad believes that all sports should be supported, so we tried to attend a diversity of games."

The cheerleaders began a new tradition by leading the Homecoming parade in a spirit truck. They will continue this tradition by having Alumni cheerleaders return the following year. The Varsity girls also had a great time at the football finals in Buckley. After cheering in the rain to an enthusiastic crowd, they enjoyed "mud hugs" from the football players. The girls ended the year's activities by sponsoring a party for all Varsity sports.

Varsity cheerleaders were pleased to represent such quality Varsity sports this year. They would like to express their gratitude to the fans and the athletes for all of their support and they look forward to another great year.

Standing left to right: Laure Ilko, Michelle Brown, Amy Smith, Danielle Kaplan, Julie Barrett, Lauren Young, Nancy Wintringer, Coach Cook. Front: Lorii Stanger, Emily Smith, Isabelle Estes, Kendall McIntyre, Tracy Hughes, Karen Halverstadt.

Parker's varsity volleyball squad became the first team from San Diego to advance to the final four in the state playoffs. After winning in the first round, the Lancers suffered a second round loss to earn runner-up status in Division III.

Two CIF Championships, two Coast League championships, a 38-0 league record and a 22 game home court winning streak were all reached by the senior dominated squad.

Julie Barrett headed the list of honors accomplished by many girls. This senior became the first IA player to be named to the 2A All-CIF team. She also was named to the All-State team and was the Coast League Player of the Year.

Amy Smith joined Julie on the All-State team and was also first team All-League. Kendall McIntyre was Parker's third choice to the All-League team.

Second team choices for Parker were Lauren Young and Karen Halverstadt. The Lancers dominance in the league was evident by the five choices to the first and second teams.

Much of the credit for the team's success is owed to Coach John Cook, who led his team to two consecutive CIF championships in only his second year as head coach.

# VARSITY GIRLS SPEED INTO SPORTS ARENA

Coach John Cook led the varsity girls basketball team into the Sports Arena after a highly successful season. The girls compiled a 17-5 overall, and a 17-1 league record.

Amy Smith and Kendall McIntyre were the high scorers, teaming for 16 and 14 points per game, respectively. Seniors Jamie Woods and Julie Barrett were forces on the defensive end of the court, and controlled the boards throughout the year. Lorii Stanger played well on both ends in her second year of competition.

Junior Darcy Rhodes was a capable ball-handler and Emily Smith, a sophomore, had an excellent season as the Lancers fifth starter.

Parker finished the season in the league's second position but marched to the playoffs with decisive wins over Santa Fe Christian and Julian. The Lancers season came to an end when they suffered a loss to Holtville in the championship game. Despite this, the girls had an outstanding season and can be proud of their record.

# SOFTBALL TAKES A SWING

Varsity softball looks forward to a successful season this year. Coach Ed Strange will be fielding a patent defensive team. This will include talented returning Seniors, Jamie Woods, Christine Gleason, and Kendall McIntyre. They hope to improve on last year's even season with a powerful showing. Obstacles to overcome will be tough competition from La Jolla Country Day and Santa Fe Christian teams. Excellent play is also expected from juniors, Michelle Brown and Amy Hewitt. At press time, the team looks optimistic.

# J.V. CHARGES TO VICTORY

The first undefeated season ever was recorded by the 1983 Junior Varsity squad. The highly experienced team ramblled to a 7-0 mark, defeating Julian for the first time and continuing their dominance over La Jolla Country Day with two victories.

Offensively, the Lancers racked up 272 points and had a balanced attack, being able to score on the ground as well as through the air.

Quarterback Craig Hammett connected on 28 of 42 passes for 775 yards and 8 touchdowns. Hammett also led the team in rushing with 668 yards and 8 more touchdowns. Because of this performance he earned team MVP.

The Lancer threats in the backfield were endless. John Krueger gained 443 yards in 5 games to go with 5 TD's. Bryan Keyser picked up 406 yards in 4 games and accumulated 4 TD's.

Dave Tarte was on the receiving end of numerous Hammett passes, totaling 237 yards and 4TD's. Ted Martella's play at QB, end and fullback was also very important to the offense. Kreuger's 12 tackles pre game led a defense that surrendered a mere 7 points per contest. Jones garnered the "Offensive Award" and Keyser earned "most Improved". Second year coach Scott Rosenberger commented, "we played as a team and won as a team. After going 1-5 last year and coming back to 7-10 this year it feels great!"

# J.V. BUILDS THROUGH ADVERSITY

J.V. Basketball has faced a season of adversity this year and still came off with a 10-1 winning streak. A serious injury to starter Kirk Sampson was a set back but Coach Keehl said that this has only served to allow such players as John Walker, Derry McIntyre and David Book to shine. The effect has been a balanced and successful team. Talented players also include Jay Norrbolm, Jamie Ogle and Craig Hammett.

New coach Stan Dingott will attempt to construct a successful Junior Varsity squad from a group consisting of mainly freshman.

One of the few sophomores, Captain Ben Buser will be looked upon to lead the young team. If this group is able to lend their enthusiastic youth with sound fundamentals, it should be an exciting season. Going through late practices and trying to hit behind the Varsity, they will prove to have an inspirational year.

# JV CHEER RISES TO VICTORY

The 1983-1984 JV Cheerleading squad played a very active role in maintaining the high spirit of Francis Parker throughout the school year. With the loss of three members prior to the start of the year, the girls had a great responsibility put upon them, but came through with flying colors. Captains Sharon Spain and Ceri Slacum lead an enthusiastic group with their great determination and skill. The girls cheered faithfully and with spirit throughout the year and no doubt will be an asset to the spirit of Parker in the years to come.

# J.V. GIRLS GAIN EXPERIENCE DURING A WINNING SEASON

First year coach Jenny Smith directed the JV girls volleyball team to an 11-3 league record and an 11-6 overall record. A wealth of rookies were looked upon to continue a winning volleyball tradition at Parker.

Mary Beth McNitt was voted Most Valuable Player by her teammates. The team also chose Erin Elster as Most Improved and Shandon Eales as Most Spirited. Coach Jenny Smith presented Julie Barnes with the Captains Award.

Fine all-round play by Wendy Driscoll and Laura Goodwin contributed heavily to the winning effort.

# J.V. GIRLS BASKETBALL TAKES IT TO THE HOOP

Jenny Smith's coaching has produced not only a solid winning season, but a season of building for girls J.V. basketball. Capitalizing on the talents of Julie Stokos, Nancy Wintringer, Wendy Driscoll, Julie Davidson, and veterans such as Ruth Herron and Sue Hansen, the girls and their coach enjoyed a fine season. With Ruth Herron and Susan Hansen already pulled up to varsity, a strong squad is anticipated for next year. It is team spirit that has made J.V. girls successful, and that spirit will hopefully be carried into their varsity years.

# JR. HIGH EXPERIENCES THE THRILL OF VICTORY

The fall season was a very strong one for Parker's junior high sports. The Lancers competed in flag football, cross country, volleyball and tennis.

Coaches Ed Strange and Gabe Zartarian directed the flag football team to a 6 - 2 record and were impressed with the talent showed on the field. Coach Strange hopes to see many of the boys come out for J.V. football next year. The brightest prospect is Mark Sherman, who scored 17 touchdowns during the season.

The cross-country team had a total of twenty-six runners competing this fall. The team practiced on a difficult Tecolote Canyon course and this prepared them for the two miles of hills they would encounter during the season. Parker's seventh grade girls placed fourth in the Mt. San Antonio College Replays, the largest cross country invitational in the country.

A 22 member volleyball team completed the season with a 4 - 4 record, with all the girls receiving equal playing time. The team was divided into three squads, each playing one game. Coach Fran Styles was pleased with the girls skills and overall play.

Kim Khoury was the singles champion of the junior high tennis league. The team posted a 5 - 1 record under the coaching of Dan Kuiper.

The boys basketball team had earned a 2 - 2 record at press time. Tyson Dethloff and Mark Sherman were high scorers and Dan Rush was the teams best ball handler.

Coach Scott Rosenberger was at the helm of the co-ed soccer team, and the softball team stood at 1 win, 1 loss and 1 tie at press time under the coaching of Leslie Trepanier.

At the time of print, The spring sports were just beginning with boys basketball, under Tony Ghironi, track under Ms. Trepanier and girls basketball under Ed Helscher.

# FINAL EXPRESSIONS

As we speak with excitement of things to come in our future, we also reminisce with happiness things that have taken place in our past. This year's Calvalcade has attempted to put together some of these memories that we have shared, and "Express it with Emotion." The assembling of a book such as this is a result of a very energetic and talented staff, whom I appreciate more than they know. I would like to thank a few dedicated people who helped create the 1984 Cavalcade.

Initially, I would like to thank Monique, the managing editor. Without her this book would probably be non-existent. She worked on everything from organizing pictures to writing copy, as well as taking a large weight from my shoulders. Her dedication was unbelievable, and she was one of the major assets to the book.

Lauren, the Assistant Editor, was also of great value to me. She was the type of person who would do anything whenever asked. She came up with fantastic ideas and helped me with everything from typing copy to giving me the moral support which I constantly needed. She contributed greatly to the yearbook and, although this was not always evident, was greatly appreciated.

One of the most demanding and confusing jobs is that of Sports Editor. The Sports Editors, John Romero and Christine Gleason, did an outstanding job on layout, copy, and picture scheduling. Even if none of the other layouts were done, I could always count on John and Chris to have their pages in on time. I'd like to thank them both for their hard work, they're a team that will be difficult to replace.

The position which is, to a yearbook, indispensable is that of Photo Editor. Thanks to our two editors, Mark and Dermot, we received pictures that were of quality and on time as well.

The job of Business Manager is probably the position that is the least "famous." This year's managers, Jenny Gildred and Isabelle Estes, did a great job raising funds for the production of our book. Thank you both for all your time and effort, without you we literally would not have a book.

My advisors, Miss Marrone and Mrs. Peckham, were to me, indispensable. I would first like to thank Miss Marrone for all her diligent work and effort put forth for the book. Coming from a different school and taking over this position was a difficult task, yet she was a great asset and I wish her luck in the years to come. Next I would like to thank Mrs. Peckham, without whom I would have gone crazy. She was always there for me to lean on and gave me the emotional support which I needed.

In closing I would like to thank people such as Mike Tracey who was Creative Editor, Tracy Hughes, Lee Copson, Darcy Rhodes, and Amy Hewitt. I thank them for their hard work this year, and wish them the best of luck on next year's book.

Thanks to all the people who have made my year as Editor memorable. I hope the 1984 Cavalcade is as special to you as it is to me and that it expresses some of the emotions that we've experienced together throughout the year.

For all you have done  
For trying-  
The goal-almost unreachable-  
But you did it!  
We recognize you for what you are and who  
you are  
An honor, a tribute to an admirable friend  
and worker.

Thank you Isabelle - we couldn't have done it  
without you!

If a smile is his shield  
a rapier wit his sword  
There is something in deep  
Opium Eyes  
that speaks of love of life  
A tragicomic face  
A long shadow at dawn  
A red gold sunset  
A grin.

Thank you Mike Tracy for being so  
creative.

There is a skill in Mind and Hand  
Soul perhaps-  
Some of us try to understand.  
It makes a person able  
To rebuild the world in an image.  
To reflect life on paper, canvas,  
cardboard  
And like a second soul,  
Drives its possessor to create  
To make art, immortal beyond himself.

A special thank you to Rob Frye for his  
original design of cover and end sheets.

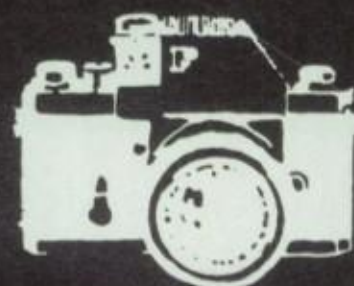

She is always there  
Aware  
She collects, collaborates, instructs  
Work, Work, Work  
She gets it done with style  
Her smile cuts through the confusion  
She gains momentum...  
Like a wave she keeps us moving  
forward to the end.

Thanks for a great year Liz!!

So much happened this year, and I still don't believe half of it ... I'm so glad that we're friends ... remember the letters (dear diary), Dog Day, preppy clothes, trips to L.A. along with phone calls (I wouldn't have survived without them), and "Have you eaten yet?" Oh well, we're crazy and we know it!!

Thanks for always being there when I needed you the most.

John -

I'm so glad that I've gotten to  
know you so well this year! Mammouth  
was fun - even though you guys  
never met us on time. So John,  
how do you turn >> Aren't you glad  
that you asked Wendy - DON'T thank  
me or anything! I think it's  
great that you are doing so well  
in Español! Well John, Call  
me this summer (281-8626) - I ex-

best thing. You are really well with things. I do get  
a little pissed off when you wave chocolate chip  
cookies in my face and then when I don't  
respond, you say I must of had a big lunch!  
mean, John, mean. Happy Birthday - seventeen  
awoo! John, you've got to learn to stay out  
of trouble, at least, not get caught or Adam  
will be driving before you get your car back.  
The Benpers will be fun. We have such  
a good class. We are going to have fun, football  
will be fun next year, cheering for you guys and  
being seniors. It will be fun. You'll have  
to take me on some pack trips. You guys and your  
fui! That cracks me up. Men are not superior  
to women! No, no, no! Guys need women and you  
can't deny that now can you. Besides my writing  
is prettier than yours! Just kidding.

type of lines! So you got your car back - now  
don't do anything too drastic too soon - OK? Have  
A good summer party party party as the QIX commercial  
says! Live life to the fullest!  
See YA 'round  
Electra

John, Krueger Kid, Ladron, and New Image Man,  
well this has been one hell of a year.

All the things, all the events, all the parties.

This year was rad, starting with football season.

I'm glad you didn't fumble on the three yard  
line this year, and that you got back every fumble.

Well, you finally got your trophy, and I got my golden mouth.

3 tickets and 4 crashes was cool, but I'm sorry about

the 5 months. South Coast Plaza was a man, probably the  
best of the year. The ashtray was cool, but the two

walkmans pissed me off. Amtrak was rad, but you were so  
Jewish with your money, we should have left you behind. Then

came the five month stay, but towards the end of  
the year we really turned it on. First was the

Schlitz and Jacuzzi scene, and the two time, no

peach admissions. Oh, and I mustn't forget Mister Ak  
and mooning everyone under the lamplight. After that

was the Holiday Inn weekend, and you part at

UTC. By the way, thanks for showing us Monera. Then

came the weekend. "All right John, give me a fucking  
boost." That Indiana Jones-Kendra shirt wasn't cool.

"One eye on the mare, one eye on the screen."

Then the next day on the beach, one side pink and

one side white. But, my man now you're free to take

Krueger,

After football I thought I'd never talk to you again, but as times tells, I have. Pack trips have been fun, and I've enjoyed giving you a hard time, but "no more lectures." Actually, sometimes I should probably take your advice. Football was fun and until the day you told me (you know), I thought you were really nice. Don't get all worked up about Tiendra; you guys'll probably get together. Have a RAD summer + I know I'll see you at the beach + movies + all.  
Love, Holly

KJ up the ass, for all I care. Have fun and good luck. But I must warn you, she can be a bitch. Then came prom weekend. Thank for not giving me a boost there, and I'm sorry you couldn't make my party. Well now I Hotei is back in the pack, and more fun times are expected. June 15 is the sliding and the Intercontinental. Then all summer the pack will be wild. Next year we'll be seniors, and we'll be partying every weekend. You'll have a beautiful view of football behind Sickman, and I'll be taking shots. Then you'll be TV baseball and I'll sit behind Perry. Well, anyway, until the next pack excursion, see ya.

P.S. Thanks for the Varnets.

Sincerely, pack sponsor  
Hornette Foundation

Dearest John,

Surprisingly enough, I have really grown to like you!! The "Image" fits you so well. I'm really glad our class is coming together because I think we've become good friends. That makes me really happy because I think you are a neat person. Have a great summer but don't ruin "the image". Take it easy because when I get back from summer school, be ready for some action and a hot senior year!! then we can continue what we started memorial day week-end!!  
Love always, Michelle

John - It's too bad we weren't as good friends this year as last. I really like "the new you" the new image. Keep it up! Powder puff was really fun. Coach. Thanks for the help! Next year's gonna be great - I can't wait - the image is officially ours! Have a great vacation!

Love, Cindy

John,

Well another year has ended and your new image is still unspoiled, but who knows how long it will last over the summer. The Phe will do its best to keep your image intact!!! We'll have to have many, many parties over the summer. Maybe by then you'll be off restriction. Maybe then you can join us at Holiday Inn or wherever we might be. Good Luck in football next year. Don't get in trouble over the summer. Have a kitchen time if you go to Hawaii. I can't think of anything else so later on Aug.

John, chemistry with Thomas has been to much fun. Never doing chemistry & look up Jackie's skirt, what fun. Have a good summer & don't get a lot of tickets. Hope to see you next year. Later on,  
David
